

Hi,

I hope you're doing well. We wish you a Merry Christmas 2025 and a Happy New Year 2026! It is me, Lydia! Time flies! We preparing for the 2026 already! I everything went smoothly for us all since the last time we saw each other. I have managed the Classic Car events at Astle Park Country Fair, The Cheshire Steam Fair and The Astle Park Traction Engine Rally since 2021 (*with a lot of help behind me*). If you would like to book into any of these events, please make sure **not to double book** yourself with another event on the same date so we can see you in one or more of these events.

As usual, I will be your main point of contact for the Classic Car section. Thank you very much for your support and for being so patient with me during the process leading up to the event. Please bear with me and my many mistakes especially when I can't be in contact with you through the phone. Emails and messages are the best way to communicate when it comes to organising all of this.

Our cut off point for Classic Car vehicles is generally 1972. However, if your vehicle is younger than that, **up to 1984** and is rare or otherwise of special interest, **we will consider it if spaces are available**. The registration will be open until **30th March 2026**. It is advisable to register as soon as possible as spaces are limited and will fill up very quickly. Please make sure it is also registered in your busy calendar for 2026.

Please expect the **passes to arrive around Mid-April 2026** for all the events, and make sure that they are secure. Don't lose them! If your **passes have not been received by the end of April 2026, please contact me immediately**.

Thank you for reading this letter. Please stay safe and healthy for you and your family and of course for your beautiful car too. I look forward to receiving the completed and signed entry form.

Best regards,
